How to Use This Workbook

Every phrase in this workbook comes from the Everyday Korean and Situational Phrases cards on the Clare's Korean site. Listen to Clare's audio there, then practice here.

1. Review

Read the phrase lists first. Say each Korean phrase out loud.

2. Fill in the Blank

Pick the missing word from the word bank and complete the sentence.

3. Writing Practice

Read the English and write the Korean by yourself. Try not to look back!

4. Mini Quiz

Read the Korean and choose the best answer. Check your answers at the end.
